**Playground Committee**

The playground committee has had many requests concerning the purchase of a fence panel. If you are interested in being a playground sponsor by purchasing a fence panel with your child's name on it, please let Scott know.

**Golf Cart Usage Rules**

SCC members are driving their golf carts in areas that are unacceptable. The maintenance staff placed ropes on the golf course to keep carts out of prohibited areas only to see members drive around the ropes and inside these areas. The SCC staff and Board understand that there are still many areas of improvement needed for the golf course. However, we do expect our members to obey the rules and improvement will come. Cart signage has been ordered to help direct members to proper areas. The ropes will come down. We realize they are an eyesore and they are not working very well either. Unfortunately, it has come to this. The Board has instructed that members who do not obey the cart usage rules be fined. The fine will be \$25 per occurrence. There will be warnings issued prior to fines. **Rules: 1 - Keep carts 30 yards from the green (look for signs). 2 - Use cart paths around greens and tee boxes. 3 - Cart path only on all par 3's. 4 - No carts in the fescue.** There is only one side of each green and tee box that has a cart path. We are asking you to use that side. The cart path is 6 feet wide. Please keep all four tires on the path. Our goal is not to fine anyone. Please let us know if you have any questions.
